FOR IMMEDIATE RELEASE

COMING TO THEATERS THIS SUMMER

An In-depth Documentary that Journeys Into the Life of Barack Obama

SYNOPSIS

2016 Obama's America takes audiences on a gripping visual journey into the heart of the world's most powerful office to reveal the struggle of whether one man's past will redefine America over the next four years. The film examines the question, "If Obama wins a second term, where will we be in 2016?"

Across the globe and in America, people in 2008 hungered for a leader who would unite and lift us from economic turmoil and war. True to America's ideals, they invested their hope in a new kind of president, Barack Obama. What they didn't know is that Obama is a man with a past, and in powerful ways that past defines him--who he is, how he thinks, and where he intends to take America and the world.

Immersed in exotic locales across four continents, best selling author Dinesh D'Souza races against time to find answers to Obama's past and reveal where America will be in 2016. During this journey he discovers how Hope and Change became radically misunderstood, and identifies new flashpoints for hot wars in mankind's greatest struggle. The journey moves quickly over the arc of the old colonial empires, into America's empire of liberty, and we see the unfolding realignment of nations and the shape of the global future.

Emotionally engaging, 2016 Obama's America will make you confounded and cheer as you discover the mysteries and answers to your greatest aspirations and worst fears.

ABOUT THE FILMMAKERS

GERALD R. MOLEN

Gerald Molen has produced many of the most memorable films in the last three decades including blockbusters like Jurassic Park, Twister, Days of Thunder, Hook and Minority Report. He was a producer for the Academy Award winning film Schindler's List and co-producer for Rain Man which won the Oscar for Best Picture.

DINESH D'SOUZA

Born in Mumbai, India Dinesh has truly lived the American Dream. He moved to the United States to attend Dartmouth University on a Rotary Scholarship. Following graduation he went to work in the Reagan White House as a policy analyst.

He has been a fellow of the Hoover Institute at Stanford University and the American Enterprise Institute. He is also the author of the New York Times Bestseller The Roots of Obama's Rage. His other titles include the popular What's So Great About Christianity, Letters to a Young Conservative, and The End of Racism. He is a popular speaker and has appeared on Hannity, The Colbert Reporter, Glenn Beck and Politically Incorrect.
